Let's Go Dancing

Joan Armatrading

I want to say "I love you"
But I don't know how
I want to say "I need you"
But I don't know how
If I said "Would you love me?"
Could you?

I want to feel you breathing
Your body next to mine
Let me hear your heart beat
Let me hold your hand
If I said "Let's go dancing"
Would you?

Feel in my mind
You want me
But some friend told you
I'm no good
No good
She's no good, no good
See by your eyes
I've touched you
I've touched you deep down inside
Inside
No need for words inside

Come with me
Let's go romancing
Let's go out dancing
Let's go romancing
All night long
