

My Baby's Gone

Joan Armatrading

My baby's gone
My baby's gone away
My baby's gone
My baby's gone away

Come back, baby
Come back
Come back, baby
Come back

My baby's gone
My baby's gone away
My baby's gone
My baby's gone away

Come back, baby
Come back
Come back, baby
Come back

Don't you know
I can't live without you
Don't you know
I can't live without you

My baby's gone
And who is it that you know
Where did you go
And who is it that you know

Come back, baby
Come back
Come back, baby
Come back

Don't you know I love everything about you
And I forgive everything that you do
From your head down to your toes
And your little button nose
You got a way about you
I love the rhythm in your soul
And there's rhythm in blues
Hey yeah

Come back, baby
Come back
Come back, baby
Come back

Don't you know
I can't live without you
Don't you know
I can't live without you
Come back, baby
Come back

Come back, baby

Come back
Come back, baby
Come back
