

## Only One

Joan Armatrading

I wanna be just where you are  
I wanna take you  
So far away with me

I wanna be your only one  
I wanna be the one  
You run to when you're down

I wanna be the one you love  
I wanna be the only one  
You want around

Make me feel good  
Make me feel fine  
Beautiful eyes  
Promise of paradise

Make me feel good  
Make me feel fine  
Beautiful eyes  
Promise of paradise

I wanna be just where you are  
I wanna take you  
So far away with me

I wanna be your only one  
I wanna be the one  
You run to when you're down

I wanna be the one you love  
I wanna be the only one  
You want around
