

Reach Out

Joan Armatrading

When the world has gone crazy
And there's no one around
You can talk to
I'll be there in a hurry
Cause I know how you feel
Don't worry

Reach out
I'll be there
Reach out for someone who cares
I'll be there
I'll make you feel fine
I'll put your mind at ease
I can be of help
I know I can
I can help

When you're looking for a friend
You won't find no better
Right on to the bitter end
Here I am
Here I am

When you feel a little bit lonely
There's no need
Can't you hear me

Reach out
I'll be there
Reach out for someone who cares
I'll be there
I will be the one
I'll make you feel fine
I can be the one to put your mind at ease
I can be of help
I know I can
I can help

When you're looking for a friend
You won't find no better
Right on to the bitter end
Here I am
Here I am
