When the world has gone crazy
And there's no one around
You can talk to
I'll be there in a hurry
Cause I know how you feel
Don't worry

Reach out
I'll be there
Reach out for someone who cares
I'll be there
I'll make you feel fine
I'll put your mind at ease
I can be of help
I know I can
I can help

When you're looking for a friend You won't find no better Right on to the bitter end Here I am Here I am

When you feel a little bit lonely There's no need Can't you hear me

Reach out
I'll be there
Reach out for someone who cares
I'll be there
I will be the one
I'll make you feel fine
I can be the one to put your mind at ease
I can be of help
I know I can
I can help

When you're looking for a friend You won't find no better Right on to the bitter end Here I am Here I am
