

Sometimes I Don't Wanna Go Home

Joan Armatrading

Shell me with questions all night
I'm living in a danger zone
Like a sword of destruction
Eating at your very soul

Possessed by emotional tides
Your love is a chain
Ooh hoo hoo

Sometimes I don't wanna go home
Cos I know it's gonna start again
Sometimes I don't wanna to home
Cos I know it's gonna start again

I'm the soul of discretion
Your mountain is a grain of sand
And I'm tired of the life that I live
Ruled by your iron hand

Stop picking on me
It's getting down from bad to worse
Stop picking on me

Is this love
Is this love
Is this love
Is this love

Sometimes I don't wanna go home
Cos I know it's gonna start again
Sometimes I don't wanna go home
Cos I know it's gonna start again

Shell me with questions all night
I'm living in a danger zone
Obsessed and emotional
Your love is a chain

Sometimes I don't wanna go home
Sometimes I don't wanna go home

Sometimes I don't wanna go home
Cos I know it's gonna start again
Sometimes I don't wanna go home
Cos I know it's gonna start again
