

# What Do You Want

Joan Armatrading

What do you want  
What do you want  
You're messing up everybody else  
By being so cool  
What is it you need  
What is it mmm  
You confuse a lot of people's minds  
By being undecided

Said you loved me once  
The way you made me feel  
Now why does it hurt so bad  
Oh baby please don't go  
I'm begging you to stay  
You know that breaking up  
Is so sad

Where do you go  
Who do you now  
There's a face  
I can't recall  
And I'm wary of most strangers  
Am I the fool  
Have you blinded me  
You're breaking up a heart  
So bad but the bruise  
Draws out real slow

Said you loved me once  
The way you made me feel  
Now why does it hurt so bad  
Oh baby please don't go  
I'm begging you to stay  
You know that breaking up  
Is so sad  
Oh baby please don't go
