

# Daddy, You Been On My Mind

Joan Baez

Perhaps it's the color of the sun cut flat  
And covering the crossroads I'm standing at  
Or maybe it's the weather or something like that  
But daddy, you been on my mind

I don't mean trouble, please don't put me down, don't get upset  
I am not pleading or saying, "I can't forget you"  
I do not walk the floor bowed down and bent but yet  
Daddy, you been on my mind

Even though my mind is hazy and my thoughts ,they might be narrow  
Where you been don't bother me nor bring me down in sorrow  
It don't even matter who you're waking with tomorrow  
Daddy, you're just on my mind

I am not asking you to say words like yes or no  
Please understand me, I'm not calling for you to go  
I'm just breathing to myself, pretending not that I don't know  
That daddy, you been on my mind

When you wake up in the morning, baby, look inside your mirror  
Oh, you know I won't be next to you, you know I won't be near  
I'd just be curious to know if you can see yourself as clear  
As someone who has had you on her mind  
As someone who has had you on her mind
