

## For All We Know

Joan Baez

For all we know we may never meet again  
Before you go make this moment sweet again  
We wont say good night until the last minute  
Ill hold out my hand and my heart will be in it

For all we know this may only be a dream  
We come and go like a ripple on a stream  
So love me tonight; tomorrow was made for some  
Tomorrow may never come for all we know

So love me tonight; tomorrow was made for some  
Tomorrow may never come for all we know
