

Let Your Love Flow

Joan Baez

There's a reason for the sunshine sky
And there's a reason why I'm feeling so high
Must be the season
When that love light shines all around us

So let that feeling grab you deep inside
And send you reeling
Where your love can't hide and then go stealing
Through the moonless nights with your lover

Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean
It's the season

And let your love fly like a bird on the wing
And let your love bind you to all living things
And let your love shine and you'll know what I mean
That's the reason

There's a reason for the warm sweet nights
And there's a reason for the candle lights
Must be the season
When those love rites shine all around us

So let that wonder take you into space
And lay you under its loving embrace
Just feel the thunder as it warms your face
You can't hold back

Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean
It's the season

And let your love fly like a bird on the wing
And let your love bind you to all living things
And let your love shine and you'll know what I mean
That's the reason

Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean
It's the season

And let your love fly like a bird on the wing
