

# Let Your Love Flow

Joan Baez

There's a reason for the sunshine sky  
And there's a reason why I'm feeling so high  
Must be the season  
When that love light shines all around us

So let that feeling grab you deep inside  
And send you reeling  
Where your love can't hide and then go stealing  
Through the moonless nights with your lover

Just let your love flow like a mountain stream  
And let your love grow with the smallest of dreams  
And let your love show and you'll know what I mean  
It's the season

And let your love fly like a bird on the wing  
And let your love bind you to all living things  
And let your love shine and you'll know what I mean  
That's the reason

There's a reason for the warm sweet nights  
And there's a reason for the candle lights  
Must be the season  
When those love rites shine all around us

So let that wonder take you into space  
And lay you under its loving embrace  
Just feel the thunder as it warms your face  
You can't hold back

Just let your love flow like a mountain stream  
And let your love grow with the smallest of dreams  
And let your love show and you'll know what I mean  
It's the season

And let your love fly like a bird on the wing  
And let your love bind you to all living things  
And let your love shine and you'll know what I mean  
That's the reason

Just let your love flow like a mountain stream  
And let your love grow with the smallest of dreams  
And let your love show and you'll know what I mean  
It's the season

And let your love fly like a bird on the wing
