There's a reason for the sunshine sky
And there's a reason why I'm feeling so high
Must be the season
When that love light shines all around us

So let that feeling grab you deep inside And send you reeling Where your love can't hide and then go stealing Through the moonless nights with your lover

Just let your love flow like a mountain stream And let your love grow with the smallest of dreams And let your love show and you'll know what I mean It's the season

And let your love fly like a bird on the wing And let your love bind you to all living things And let your love shine and you'll know what I mean That's the reason

There's a reason for the warm sweet nights And there's a reason for the candle lights Must be the season When those love rites shine all around us

So let that wonder take you into space And lay you under its loving embrace Just feel the thunder as it warms your face You can't hold back

Just let your love flow like a mountain stream And let your love grow with the smallest of dreams And let your love show and you'll know what I mean It's the season

And let your love fly like a bird on the wing And let your love bind you to all living things And let your love shine and you'll know what I mean That's the reason

Just let your love flow like a mountain stream And let your love grow with the smallest of dreams And let your love show and you'll know what I mean It's the season

And let your love fly like a bird on the wing
