

No Woman, No Cry

Joan Baez

No woman no cry, no woman no cry
I said no woman no cry, no woman no cry

Yes I remember when we used to sit
In the government yard in Trench town
Observing those hypocrits
Mingle with the good people we knew ya
Good friends we knew
And good friends we lost along the way
In this bright future we can't forget the past
So dry your tears I say

No woman no cry, no woman no cry
I said no woman no cry, no woman no cry

Yes, I remember when we used to sit
In the government yard in Trench town
And georgey would make the fire light
with the burning through the night
and we would cook corn meal porridge
Which I'd share with you ya
And my feet is my only carriage
So I'm gonna push on through

Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright

Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright

Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright

No woman no cry, no woman no cry
I said no woman no cry, no woman no cry
