

When You Hear Them Cuckoos Hollerin'

Joan Baez

When you hear them cuckoos hollerin'
When you hear them cuckoos hollerin'
When you hear them cuckoos hollerin'
Sign of rain, buddy, it's a sign of rain

Goin' up on the mountain, for to see my baby
Goin' up on the mountain, for to see my baby
Goin' up on the mountain, for to see my baby
Ain't comin' home, buddy, and I ain't comin' home

When you hear them cuckoos hollerin'
When you hear them cuckoos hollerin'
When you hear them cuckoos hollerin'
Sign of rain, buddy, it's a sign of rain

When you hear them hoot owls callin'
When you hear them hoot owls callin'
When you hear them hoot owls callin'
Someone's dyin', whoa, somebody's dyin'

When you hear them cuckoos hollerin'
When you hear them cuckoos hollerin'
When you hear them cuckoos hollerin'
Sign of rain, buddy, it's a sign of rain
