

# Doing All Right With The Boys

Joan Jett and the Blackhearts

Alright with the boys  
Hey you, what you gonna do  
Now I'm back with the boys again  
Hey you, I've been through it, too  
Now I'm back with the boys again

Ain't no doubt  
That I've been missin' out  
On someone's kissin'  
Oh you will find  
That I knew all the time  
What I was missin'  
Now I'm back with the boys

Hey you, what you gonna do  
Now I'm makin' all the noise again  
Hey you, what you gonna do  
Now I'm playin' with my toys again  
Now I'm back with the boys again

Doin' alright, doin' alright  
With the boys, boys, boys  
Doin' alright doin' alright  
With the boys

Hey you, what you gonna do  
Now I'm back with he boys again  
Hey you, what's your point of view  
Now I'm back with the boys again

Ain't no doubt  
That time is runnin' out  
Now you must chase me  
Oh what a drag  
The money in your bank  
Just can't replace me  
Now I'm back with they boys

Hey you, what you gonna do  
Now I'm makin' all the noise again  
Hey you, what you gonna do  
Now I'm jumpin' up for joy gain  
Now I'm back with the boys again

Alright with the boys

Doin' alright, doin' alright  
With the boys, boys, boys  
Doin' alright I'm doin' alright  
With the boys  
Now I'm back with the boys again

Hey you, what ya gonna do  
Now I'm makin' all the noise again  
Hey you, what's your point of view  
Now I'm back with the boys again...
