

## Little Liar

Joan Jett and the Blackhearts

I was taught to never tell a lie  
To look you in the eye and tell it like it is  
Always thought that you would be the same  
It's such a shame that's not the way it is

I was fooled by your innocence  
And my love for you was so intense  
With our connection only physical  
If it got me through the night  
Well that's a lie

Hey little liar I believed in you  
Hey little liar I believed in you  
Hey little liar I believed in you oh

A simple question makes you look away  
Your hesitation gives it all away  
There's some protection in the way you move  
If there's sadness in my eyes  
It's coming from your lies

Hey little liar I believed in you  
Hey little liar I believed in you  
Hey little liar I believed in you  
I believed in you

You want to sleep with me but payback's tough  
Why don't you call me when you're all grown up  
If there's a change in you I'll know it's true  
Hey little liar I believed in you

Hey little liar I believed in you  
Hey little liar I believed in you  
Hey little liar I believed in you  
Hey little liar I believed in you  
Hey little liar I believed in you  
Hey little liar I believed in you  
Hey little liar I believed in you  
Hey little liar I believed in you  
Hey little liar  
Hey little liar  
Hey little liar
