

# Bad as We Can Be

Joan Jett

I see you walking down the street  
Just like candy you're so sweet  
In my mind  
I just wanna talk to you  
Maybe have a drink or two  
It ain't no crime

I've never seen you here before  
Now I wanna see some more  
It might get rough  
Maybe if I take a risk  
You can bust me when I steal your kiss  
Get the cuffs

(But) I'm no good for you  
And you're no good for me  
We'll be as bad as we can be  
Wait and see  
(Since) I'm no good for you  
And you're no good for me  
Let's be as bad as we can be  
You and me

I know you think I'm telling lies  
But I see heaven in your eyes  
Please believe  
At least (maybe) let me walk you home  
You don't have to be alone  
Stick with me

(But) I'm no good for you  
And you're no good for me  
We'll be as bad as we can be  
Wait and see  
(Since) I'm no good for you  
And you're no good for me  
Let's be as bad as we can be  
You and me

I'm waiting all night  
I'm feeling alright  
Waited my whole life for you

I've never felt this way before  
I wanna feel it more and more  
Please don't leave  
I just wanna feel your charm  
Just like you're tattooed on my arm  
I don't deceive

As bad as we can be
