```
You ran around like a hotshot
It was a matter of time
I always said I would get ya
And sooner or later I'd make you mine
```

Stop playin' this game with me You know it drives me insane You know you're just what I needed I couldn't wait to take you away

```
Gotcha, where I want ya
Gotcha, yeah it's so true
Gotcha, where I want ya
I... i... g-g-g-gotcha, g-g-g-gotcha
```

Our love could be dangerous
It makes me tremble inside
I'm gettin' tired of chasin' you
Baby you can run but you can't hide

```
Gotcha, where I want ya
Gotcha, yeah, by the jewels
Gotcha, where I want ya
I... i... g-g-g-gotcha, g-g-g-gotcha
```

```
I got you but you don't know it
I got you but you don't know it
I... i... g-g-g-gotcha
I... i... g-g-g-gotcha, g-g-g-gotcha,
```
