

# Hide and Seek

Joan Jett

Say man looky here  
Let's get together tonight an' play some hide & go seek  
Whatcha say  
Yeah Well c'mon

Well I love you love you love you  
Tickle tickle hug me hug me hug me  
You all hid yeah  
If you ain't hid ya better holler billy goat bah  
Are you ready I'm not ready  
Aw man let's hide this time

I went down the road the road was muddy  
I stubbed my toe my toe was hurtin'  
You all hid yeah  
If you ain't hid you better holler billy goat bah  
Two bars of washin' powder two bars of soap  
Already hid you better holler billy goat

I went down the road the road was muddy  
I stubbed my toe my toe was hurtin'  
Walk don't jump to the bottom of the well  
Swam by the devil n' he  
Wha'd he say, wha'd he say  
I'm not gonna say that  
You all hid yeah

If you ain't hid you better holler billy goat bah  
look what I go look what I go  
Aw man will you put down that thing you got  
In your hand an' find your hole an' get it it  
I'm gonna say this just one more time yep  
5 10 15 20 25 30 35 40 45 50  
You all hid yeah  
If you ain't hid you better holla billy goat bah

One potato two potato three potato four  
All ain't ready better let me go  
If you hid, behind my pie  
I'm gonna hit you right in the eye  
You all hid yeah

If you ain't hid you better holla billy goat bah  
Now are you ready I'm still not ready  
Aw man looky here I want you to find yourself  
The tallest tree an' I want you to climb up in it  
An' walk out on the limb an' jump  
An' I hope that you fall in the deepest hole

I mean listen, cause I'm gonna say this  
Just one more time  
Say I went down the road, the road was muddy  
I stubbed my toe my toe was hurtin'  
Two bars a' washin' powder two bars a' sop  
All ain't hid you better holla billy goat (bah)  
now I know you're ready this time man  
I'm ready I'm ready
