

Last to Know

Joan Jett

There was a time I'd given you a piece of my soul
Now everything's changed and it's gettin' so outta control
Cuz I caught you one time then I caught you two times
You'd better walk away cuz now the truth's been told

Yeah!
Yeah!
Yeah, yeah, yeah, yeah, yeah, yeah!

You disgraced me how can you face me
I was the last to know
For all I tried to be
You still lied to me
I was the last to know

I been rackin' my brain and the truth is plain to see
You got no shame about what you've done to me
I believed you one time there wouldn't be another time
Get on your way cuz nobody rides for free

Yeah!
Yeah!
Yeah, yeah, yeah, yeah, yeah, yeah!

I thought you'd save me
But you betrayed me
I was the last to know
It was a sneak attack
You stabbed me in the back
I was the last to know

Sometimes I wake up in the middle of the night in a cold sweat
The sheets are wet all these crazy thoughts going
Round and round in my head thinkin' 'bout the things we said
Some things we done somethin' happened somethin' changed
I'm not sure what I'm not sure who to blame

I got somethin' to say an' I hope it's getting through
Cuz I know what I gotta do what I never ever wanted to do
I warned you one time but now you crossed the line
It's too late now cuz I'm done with you

Yeah!
Yeah!
Yeah, yeah, yeah, yeah, yeah, yeah!

You disgraced me how can you face me
I was the last to know
For all I tried to be
You still lied to me
I was the last to know

I thought you'd save me
But you betrayed me
I was the last to know
It was a sneak attack
You stabbed me in the back

I was the last to know

Oh
