## **Turn It Around**

I wonder what it meant to you Was it just my name? The changes that we both went through Was it all a game? I know that it was real to me

I wonder what you gave to me It wasn't what ya said You acted like a slave to me Til you got inside my head And then I lost control of me I gotta

Turn it around Bringing myself right back to me Turn it around Bringing myself right back to me

I wonder what you took from me? I wonder where it went Every time you looked at me I couldn't figure whatcha meant I know I lost a part of me I have to

Turn it around Bringing myself right back to me Turn it around Bringing myself right back to me

Hey hey hey

Did you see it in my eyes Was I that naive? Did I simply compromise The things that I believe? But now that I'm aware of it I'm gonna

Turn it around Bringing myself right back to me Turn it around Bringing myself right back to me Turn it around Bringing myself right back to me Turn it around Bringing myself right back to me
