

What Can I Do for You?

Joan Jett

Tell me what
Would you like me to do
Tell me, dear
What can I do for you

Tell me what
Now don't be shy
You're my guy
What can I do for you

I would be so ashamed
If you hesitate
To call my name
Yeah, yeah

Tell me what
Would you like me to do
Tell me, dear
What can I do for you

I would be so ashamed
If you hesitate
To call my name
Yeah, yeah

Tell me what
Would you like me to do
Tell me, dear
What can I do for you

Tell me
What can I do for you
Tell me
What can I do for you
Tell me
What can I do for you
