

## After Jane

Joan Osborne

I can't laugh  
I can't moan  
I can't leave myself alone  
After Jane  
After Jane

I was hers  
She was mine  
We were together all the time  
Oh, my Jane  
Oh, my Jane

Maybe it's the right thing, and maybe it's wrong  
You know I lay awake and wonder all night long  
Maybe it's over and maybe we're free  
You know this lonely feelin' is drownin' me

Will I rise up again?  
Will I ever know a friend, like my Jane?  
Oh, my Jane

Maybe it's the right thing and maybe it's wrong  
You know I lay awake and wonder all night long  
Maybe it's over and maybe it's not  
You know this lonely feelin' is all I got

Will I rise up again?  
Will I ever know a friend, like my Jane?  
Oh, my Jane

After Jane  
After Jane  
Oh, my Jane  
Oh, my Jane  
After Jane
