

## Alone with You

Joan Osborne

Every day I thank the Lord above  
For giving me such a way with love  
Oohh baby, what I wouldn't do  
Just to be alone with you

You'd be crazy to resist  
(You'd be crazy to resist)  
I won't rest until I'm properly kissed  
(Until I'm kissed)  
Oohh baby, what I wouldn't do  
(What I wouldn't do)  
Just to be alone with you

I'm a full-grown woman and I'm in my prime  
I know how to love you and I take my time  
I'll wrap you up in all my curls  
Make you forget all about your other girls

No one will know baby, no one will see  
(No one will see)  
No one can touch you now because you're safe with me  
(You're safe with me)  
Oohh baby, what I wouldn't do  
(What I wouldn't do)  
Just to be alone with you

Oohh baby, what I wouldn't do  
(What I wouldn't do)  
Just to be alone with you  
(Just to be alone with you)  
Just to be alone with you  
(Just to be alone with you)  
Oh just to be alone  
Just to be alone
