

# Heat Wave

Joan Osborne

Whenever I'm with him something inside  
Starts burning and I'm filled with fire  
Could it be the devil in me  
Or is this the way it's supposed to be

It's like a heatwave burning in my heart  
I can't keep from crying, it's tearing me apart

Whenever he calls my name  
Sounds so soft sweet and plain  
I feel, right there, I feel this burning pain  
This high blood pressure's got a hold on me  
Or is this the way love's supposed to be

It's like a heatwave burning in my heart  
I can't keep from crying, it's tearing me apart

Sometimes this scaring craze, tears all over my face  
Can't explain it, don't understand it  
I ain't never felt like this before  
And that funny feeling has me amazed  
Don't know what to do, my head's in a haze

It's like a heatwave  
Yeah yeah yeah yeah  
Ohh..  
I'm feeling I'm burning  
I feel I'm burning in my heart like a heatwave  
Heatwave  
I'm feeling  
I'm feeling, I'm feeling
