

# I Know What's Goin' On

Joan Osborne

Mmm...

You would make a mistake  
If you think I'm not awake  
I know what's goin' on  
You've been lying to me

But I don't want to set you free  
I know what's goin' on

I'm the one who makes you happy  
You got to know that for sure  
Come on can we give our love just one more try  
Make it better than it was before

Did you try to resist  
Was she longing to be kissed  
I know what's going on  
You have changed who you are  
I been watching from afar  
I know what's going on

Mmm..

I know what's goin' on

Mmm...

I know what's goin' on

Does she whisper, does she sing  
Does she say you're everything  
I know what's goin' on  
I can see it in my head  
When we're lying in our bed  
I know what's goin' on

I'm so angry I could murder, oohh  
And I'm so lonesome in my mind  
Oh, how I wish I didn't love you baby  
But you got me hangin' on your line

Mmm...

Mmm...

I will wait for this to end  
Cause I know you'll need a friend  
When at last she breaks your heart  
Cause the only way to win  
Is to get you back again  
Until then I'll fall apart

Mmm...

I know what's goin' on
