

# Ladder

Joan Osborne

Today and everyday, today and everyday  
Today and everyday, today and everyday

I'm standin' here in your closet  
Unbuttonin' all your clothes  
I sleep in your bed tonight  
But I never find you home  
You're givin' me crooked answers  
I'm crackin' your little code  
I'm learnin' another language  
So full it's about to explode

You gave me a ladder now  
I surely believe I'll climb  
It don't even matter now  
I'm willing to take my time

I'm gonna love you anyway,  
Today and every day, today and everyday  
I'm gonna love you anyway,  
Today and every day, today and everyday

I wanted it to be easy  
I know that I'll make you tired  
Some tell me you're slow and lazy  
Some tell me you're so inspired  
You wanted a long flirtation  
Your plane doesn't ever land  
Some things I don't want to look at  
I don't want to understand

You gave me a ladder now  
I surely believe I'll climb  
It don't even matter now  
I'm willing to take my time

I'm gonna love you anyway,  
Today and every day, today and everyday  
I'm gonna love you anyway,  
Today and every day, today and everyday

Today and everyday...
