

# Light of the World

Joan Osborne

Ooh...

Just as long as I'm in this world  
I'll be, I'll be a light of this  
Just as long as I'm in this world  
I'll be, I'll be a light of this  
Just as long as I'm in this world  
I'll be, I'll be a light of this  
Just as long as I'm in this world  
I'll be, I'll be a light of this world

Ooh...

sometimes I feel this earth is not my home  
And everything I know is an illusion  
So many dreams have been broken and it seems  
So much time is wasted in confusion

But I don't know if pain makes me stronger  
But if you're beside me tonight

Just as long as I'm in this world  
I'll be, I'll be a light of this  
Just as long as I'm in this world  
I'll be, I'll be a light of this  
Just as long as I'm in this world  
I'll be, I'll be a light of this  
Just as long as I'm in this world  
I'll be, I'll be a light of this world

Ooh...

Some that I love I will never see again  
Never see again in this world  
The one I was I will never be again  
No use to pretend that I'm the same girl

But I won't wait for you to believe me  
And if time will give me today  
I won't wait for heaven to receive me  
I will pray, I will say

Just as long as I'm in this world  
I'll be, I'll be a light of this  
Just as long as I'm in this world  
I'll be, I'll be a light of this  
Just as long as I'm in this world  
I'll be, I'll be a light of this  
Just as long as I'm in this world  
I'll be, I'll be a light of this world

Ooh...
