Ooh...

Just as long as I'm in this world
I'll be, I'll be a light of this
Just as long as I'm in this world
I'll be, I'll be a light of this
Just as long as I'm in this world
I'll be, I'll be a light of this
Just as long as I'm in this world
I'll be, I'll be a light of this world
I'll be, I'll be a light of this world

Ooh...

sometimes I feel this earth is not my home And everything I know is an illusion So many dreams have been broken and it seems So much time is wasted in confusion

But I don't know if pain makes me stronger But if you're beside me tonight

Just as long as I'm in this world
I'll be, I'll be a light of this
Just as long as I'm in this world
I'll be, I'll be a light of this
Just as long as I'm in this world
I'll be, I'll be a light of this
Just as long as I'm in this world
I'll be, I'll be a light of this world

Ooh...

Some that I love I will never see again Never see again in this world The one I was I will never be again No use to pretend that I'm the same girl

But I won't wait for you to believe me And if time will give me today I won't wait for heaven to receive me I will pray, I will say

Just as long as I'm in this world
I'll be, I'll be a light of this
Just as long as I'm in this world
I'll be, I'll be a light of this
Just as long as I'm in this world
I'll be, I'll be a light of this
Just as long as I'm in this world
I'll be, I'll be a light of this world
I'll be, I'll be a light of this world

Ooh...
