Joan Osborne

Let me use your toothbrush Have you got a clean shirt? My panties are in a wad At the bottom of my purse I walk into the street The air's so cool I'm wired and I'm tired And I'm grinnin' like a fool

My right hand, my right hand man Say... my right hand, my right hand man My right hand, my right hand man

My right hand, my right hand man Say... my right hand, my right hand man My right hand, my right hand man My right hand, my right hand man

I've been on the floor lookin' for a chair I've been on a chair lookin' for a couch And I've been on a couch lookin' for a bed... Lookin' for a bed Lookin' for my...

My right hand, my right hand man

My right hand, my right hand man My right hand, my right hand man My right hand, my right hand man My right hand, my right hand man Say... my right hand, my right hand man My right hand, my right hand man

Say... my right hand, my right hand man If he can't fix it, gonna find a boy who can
