

Roll Like A Big Wheel

Joan Osborne

I'm gonna roll like a big wheel
I'm gonna roll just like a big wheel
I'm gonna keep on turning cause I like the way it feels!
Every time I turn, is gonna break your heart
Every time I turn, is gonna break your heart
I'm gonna show you, daddy I can finish anything you start!

I'm gonna roll, like old wheels do

Said I'm gonna roll like old wheels do
And when I'll turn around, I'm gonna roll right over you!
Talk about wheel, I'm a great big wheel
I'm gonna keep on turning cause I like the way it feels.
Oh, oh, oh, I'm gonna roll!
I'm gonna roll, just like a big wheel!
I'm gonna roll like a big wheel!
