

# Shake Your Hips

Joan Osborne

Won't care about the dance spin going round  
Everybody doing it from grownups down  
You got to move your head you got to move your hands  
You got to move your lips just move your hips  
Do the hips shake baby  
Do the hips shake baby  
Shake your hips baby  
Shake your hips baby

If you don't know don't be afraid  
Just listen to me do what i see  
Don't you move your hip don't you move your hands  
Don't you move your lips just move your hips  
Do the hips shake baby  
Do the hips shake baby  
Shake your hips baby  
Shake your hips baby

Ain't that easy now say is easy now  
Met a little girl in the country town  
She said what do you know about ..  
She didn't move her head didn't move her hands  
Didn't move her lips just move her hips  
Do the hips shake baby  
Do the hips shake baby  
Shake your hips baby  
Shake your hips baby  
Do the hips shake baby  
Do the hips shake baby  
Shake your hips baby  
Shake your hips baby  
Ain't that easy now
