

## If It's Not You

Joann Rosario

If it's not You  
Then I don't want it at all  
'Cause it's not true  
I'm guaranteed to take the fall  
I seek You, I hear You  
The voice that makes me strong  
Now I know it's You and  
I won't compromise my heart

Here I stand once more  
In a dim corridor  
And two ways I could take  
My heart tends to sway  
To the easiest way  
And Your ways to forsake  
But if I choose to go my way  
Then my own life in my hands I take  
There's no way I'll make that mistake

If it's not You  
Then I don't want it at all  
'Cause it's not true  
I'm guaranteed to take the fall  
I seek You, I hear You  
The voice that makes me strong  
Now I know it's You and  
I won't compromise my heart

I just won't accept a great copy of  
A cheap counterfeit  
When you're blessed with real  
Your know how it feels you never forget  
So the choice is mine  
And it seems quite clear  
Follow the charted course  
And let You steer  
I'll have no fear

If it's not You  
Then I don't want it at all  
'Cause it's not true  
I'm guaranteed to take the fall  
I seek You, I hear You  
The voice that makes me strong  
Now I know it's You and  
I won't compromise my heart

Special  
But if I choose to go my way  
Then my own life in my hands I take  
There's no way I'll make that mistake

Vamp  
If it's not You, I don't want it at all  
If it's not You, Lord You're the real, real  
There's nobody else I can trust with my heart  
So I stand assured, Lord You are the real
