

# The Manipulation Stream

## Job for a Cowboy

We gape at our neurotic hands and swallow our own conclusive, unease  
Inhaling the somber air and consuming the broadcasts that mislead  
Modified imagery punctures an open wound of incomprehension within the mind  
Within the mind!  
They perch detached from reality, swigging on the bottle of manipulation  
This empire carries on an evolving lie in the bottomless eyes of corporation greed  
For them, ignorance equates strength. a constructed fantasy they use to mislead  
Modified imagery puncture's an open wound of incomprehension within the mind  
Day after day a nation submerged in a sea of televised panic and petty idolization  
They perch detached from reality, swigging on the bottle of manipulations  
This empire carries on an evolving lie in the bottomless eyes of corporation greed  
For them, ignorance equates strength. a constructed fantasy they use to mislead  
We gape at our neurotic hands and swallow our own conclusive unease  
Inhaling the somber air and consuming the broadcasts that mislead ads!  
This empire carries on an evolving lie in the bottomless eyes of corporation greed  
Of corporation greed
