## **Get Into The Rhythm**

## **Jocelyn Enriquez**

```
Get into the rhythm
Let the music control
Get into the rhythm
For your body and your soul
Get into the rhythm
Let the music control
Get into the rhythm
For your body and your soul
Get into the rhythm
Get into the rhythm
Get into the rhythm
Let the rhythm
Take you high
Let the rhythm
Take you high
Get into the rhythm
Let the music control
Get into the rhythm
For your body and your soul
Get into the rhythm
Let the music control
Get into the rhythm
For your body and your soul
Get into the rhythm
Get into the rhythm
Get into the rhythm
Get into the rhythm
