

# Only You

Jocelyn Enriquez

Looking from a window above  
It's like a story of love, can you hear me?  
Came back only yesterday  
I'm moving further away

Want you near me  
All I needed was the love you gave

All I needed for another day  
Only you, and all I ever knew

Sometimes, when I think of your name  
And I need you  
It's getting harder to stay  
When it's only a game

Listen to the words that you say  
When I see you

All I needed was the love you gave  
All I needed for another day  
And all I ever knew, only you

All I ever knew  
All I needed was the love you gave  
All I ever knew

All I needed for another day  
And all I ever knew, only you

This is gonna take a long time  
And I wonder what's mine  
Wonder, if you'll understand  
Can't take no more

It's just the touch of your hand  
Behind a closed door

All I needed was the love you gave  
All I needed for another day  
And all I ever knew, only you
