

# Save Me From Being Alone

Jocelyn Enriquez

To live in a house not a home  
I've counted my tears falling down each night for all these years  
I can't believe it ends like this  
We've gone on our own separate ways to find ourselves again  
Where should I go from here can I live here without your love  
Somehow someday I'll make it through  
Please help me ease the pain  
I'm lost I can't find my way  
Hope and pray it will end in time the pain inside  
Can somebody hear I'm crying for shelter  
Please help me see this through  
A world that can no longer feel  
Seems that they have abandoned me forgotten me  
Do I blame myself  
Save me from being alone  
How can you mend a lonely soul  
Trying to leave the past the sorrow and the lies  
How can I forgive someone who just doesn't understand  
That true love is gone away  
Maybe it's for the best to live these lives on our own  
To say goodbye still I wonder why  
Please help me ease the pain  
I'm lost I can't find my way  
Hope and pray it will end in time the pain inside  
Can somebody hear I'm crying for shelter  
Please help me see this through  
A world that can no longer feel  
Seems that they have abandoned me forgotten me  
Do I blame myself  
Save me from being alone  
(To live in a house  
(Without your love)  
(Still wonder why)  
(Can somebody hear)  
(Can somebody hear)  
(I'm crying for shelter)  
Save me from being alone
