

Stay With Me

Jocelyn Enriquez

Never, never have I felt like this before
Forever, I just want to be forever yours
So take me in your arms and say you love me
Hold me close and never let go

Baby please stay with me
Your love is heavenly
Won't you please say it's me
That you love forever
Baby please stay with me
Hold me so tenderly
Won't you please stay with me
Be in love together

Lately, seems like you are always on my mind
And maybe I want you to be forever mine
So pull me close and wrap your arms around me
Love me with all your heart and soul

Baby please stay with me
Your love is heavenly
Won't you please say it's me
That you love forever
Baby please stay with me
Hold me so tenderly
Won't you please stay with me
Be in love together

Every night I see you in my dreams
Only when I'm with you do I feel complete
You're the only one who can fulfill my needs
Baby please stay
Don't go away
Won't you say you'll stay

Baby please stay with me
Your love is heavenly
Won't you please say it's me
That you love forever
Baby please stay with me
Hold me so tenderly
Won't you please stay with me
Be in love together
