

Good Luv

Jodeci

Yeah
You know we gonna flip it just a little bit for y'all
Ooh
You know what i'm sayin
Ooh
So mighty different
Yeah
You know, you know, you know, you know
Yeah
You know, you know, you, you know
Yeah
Yeah
In the morning when i open up my eyes
I still be feelin' high from the love you gave last night, girl
But i still try to get up with my friends
But they just think i'm crazy and no more do i fit in, girl
But they always been around, smokin' all day
But i just get a hit or two but i just don't feel the same, girl
No, no
I know that i'll be needing you anyday
There's only one thing i have to say
You give good luv
(yeah)
In the morning
Or late at night
(late at night)
Every second to minute it gets me high
(oh)
Good luv
In the morning
Or late at night
It's amazing how our love could feel so right

(yeah)
I guess it's just a habit
I feel i have to have it
Every time i see it, girl, (every time i see you) you know i wanna grab it
And yes i do admit it
Nothing can get with it
When it comes to feeling good, your love is so addictive
Yes i do get my drink on, and i do have my fun
When it comes to love, i gotta get some of your good luv
So i turn to you, 'cause no one else can do what you do
Girl, you're so good

You give good luv
(ooh yeah)
In the morning
Or late at night
(morning)
Every second to minute (every little second, every little second of the day,
baby yeah) it gets me high
Good luv
In the morning or late at night
It's amazing how our love could feel so right

(i need your love)

I need your love, girl
(i need your love)
Cause when i'm not with you
(yeah)
I'm just feenin (i'm feenin, i'm feenin baby) for the things you do
I'm in my own world
(oh)
'cause, girl, i'm crazy for you
'cause your love is always true
(oooh, yeah, ooh yeah)

You give good luv
(you give good luv)
You give good luv (in the morning, in the morning)
You give good luv
And that's all i do
'cause i'm strung out on you
(i'm strung out you, you, you, you, you, you, yeah)
You give good luv (yes you do baby)
In the morning (in the morning) or late at night (late at night)
Every second to minute it gets me high (oh)

Or late at night
It's amazing how our love could feel so right
(in the morning, baby, baby, baby, baby, baby)
You give good luv
In the morning or late at night
Every second to minute it gets me high
(do you hear what i'm singing about yeah)
