

## As the Crow Flies

Joe Bonamassa

As the crow flies baby  
And I ain't so far from you  
As the crow flies baby  
And I ain't so far from you

Well I don't have wings  
And I can't get home like I want to

In a dream last night  
Well I heard you call my name  
In a dream last night  
Well I heard you call my name

Well I took it as an omen  
And I jumped on that next train

Oh whoa

Well you don't know baby  
How I miss your sweet caress  
Well you don't know baby  
How I miss your sweet caress

When I'm in your lovin' arms  
And I swear I'm at my very best

As the crow flies baby
