Joe Bonamassa

I don't know too much about love baby now  
but I sure think I got it bad yeah.  
I don't know too much about love baby now  
but I sure think I got it bad yeah.  
Some people say love is just a gamble  
Oh whatever it is about to drive me mad yeah.  
Yeah, lookout...

I sit here in my lonely room now  
Tears flowin' down my eyes.  
As I sit here in my lonely room now  
Tears flowin' down my eyes.  
I wonder how you can treat me so low down and dirty.  
You know what?  
Your heart must be made out of ice yeah.

(Lead Break)

Sometimes I get so worried baby now  
you know I wanna sit down and cry myself to sleep.  
Sometimes I get so worried baby now  
you know I wanna sit down and cry myself to sleep  
'Cause I don't know too much about love babe  
But I sure think I...sure think I...got it bad yeah.

Oh, I sure think I got it bad yeah.
