

## Tamp 'Em Up Solid

Joe Bonamassa

Tamp 'em up solid, so they won't come down  
Tamp 'em up solid, buddy, so they won't come down  
Tamp 'em up solid, so they won't come down  
Tamp 'em up solid, buddy, so they won't come down

Baby, when you marry your railroad man  
Every day'll be pay day, dollar bill in your hand  
Baby, in your hand, baby, in your hand  
Baby, in your hand, baby, in your hand  
Mary and the baby laying in the bed  
Thinking about the money that I ain't made  
So tamp 'em up solid so they won't come down  
Tamp 'em up solid, buddy, so they won't come down

Captain called the water boy and the water boy laughed  
Captain kicked the water boy yelling, ";Yes, yes, yes";  
So tamp 'em up solid, so they won't come down  
Tamp 'em up solid, buddy, so they won't come down  
And you can do it, and you can do it, and you can do it  
So they won't come down
