

The Great Flood

Joe Bonamassa

It's been too long, since I said I loved you
It's been too long, since I cared
It's been too long, since I said I loved you
It's been too long, since I cared

Well my conscience is finally clear
I been waiting all these years

Well it's raining, all day and night
The great flood, has come around
Well it's raining, all day and night
The great flood, has come around

'Cos when my house is about to wash away
Rain is such a lonesome sound

Well you said, you might be receiving
Oh I could tell it was all a bunch of lies
Well you said, you might be receiving
Oh I could tell it was all a bunch of lies

Well I know there's been a lot's of heartaches
I've been suffering all my life
... Suffering Mmmmmmm Mmm
