

# Walk in My Shadows

Joe Bonamassa

My throat is dry  
My knees are weak  
It's so damned hot  
I can't even speak

Walk in my shadow  
I can't take it anymore  
When I get you in the shadows  
I gonna show you what it's for

Yes, I know baby  
That's a shady kind of deal  
I just want to find out  
How you feel

Walk in my shadow  
I ain't gonna take it anymore, oh yes  
When I get you in the shadows  
I'm gonna give you what's in store, yes I am

Yes, I know you say, I'm stupid  
It just wouldn't be cool  
Well, I can tell you baby that I  
I ain't no fool

Walk in my shadow  
I can't take it anymore  
When I get you in the shadows  
I'm gonna lay you on the floor

When I get you in the shadows  
I'm gonna give you what's in store  
Yeah
