

You Upset Me Baby

Joe Bonamassa

Yes, she's 36 in the bust, 28 in the waist,
44 in the hip, she got a real crazy leg
You upsets me baby, yes, you upsets me baby
Yes, I'm telling you people she's something fine,
that you really outta see

Well, she's not too tall, complexion is fair,
man she knocked me out the way she wears her hair
You upsets me baby, Yes, you upsets me baby
Like being hit by a fallen tree,
woman, woman what you do to me

Well I, tried to describe her, it's hard to start
I better stop now because I got a weak heart
You upsets me, well, you upsets me baby
Well like being hit by a fallen tree,
woman, what you do to me

Well I, tried to describe her, it's hard to start
I better stop now because I got a very weak heart
You upsets me baby, yes, you upsets me baby
Well I've been hit by a fallen tree,
woman, what you do to me see.
