

# Blue Medley

Joe Cocker

It brings a tear into my eyes  
When i begin to realize  
I cried so much since you've been gone,  
I guess i'll drown in my own tears.  
I sit and cry tears like a child,  
My pouring tears are running wild.  
If you don't think you'll be home soon,  
I guess i'll drown in my own tears.  
I know it's true into each life  
Some rain must pour,  
I'm so blue without you  
It keeps rainin' more and more.  
Why can't you come on home  
So i won't be all alone.  
If you don't think you'll be home soon,  
I guess i'll drown in my own tears,  
I guess i'll drown in my own tears,  
I guess i'll drown in my own tears,  
I guess i'll drown in my own tears,  
I guess i'll drown in my own tears,  
I guess i'll drown in my own tears.

When something is wrong with my baby  
Something is wrong with me

If I don't know, she's worried  
Then I would feel that same misery  
We've been through so much together  
We've been as one and that's what makes it better

When something is wrong with my baby  
Something is wrong with me

And what she, what she means to me now  
You, you wouldn't understand  
Some people would say that she's no good  
Oh, she's my woman and you know I'm her man

If she's got a problem, I'd know  
You'd know I've gotta help her solve it

When something is wrong with my baby  
Something is wrong with me

When something is wrong with my baby  
Something is wrong with me

When something is wrong with my baby  
Something is wrong with me

I've Been Loving You Too Long  
To stop now

You are tired and you want to be free  
My love is growing stronger  
As you become a habit to me  
Ooh. I've been loving you too long

I dont wanna stop now. oh

With you my life has been so wonderful  
I can't stop now

You are tired and your love growing cold  
My love is growing stronger  
As our affair, affair grows old  
Dont want to stop now. oh oh oh

I've Been Loving You a little too Long  
I don't wanna stop now. oh oh

Don't make me stop now oh baby  
I'm down on my knee  
Please. don't make me stop now

I love you, I love you  
I love you with all my heart  
And I can't stop now  
Please, please, please please no  
Don't make me stop now. yeah oh  
My heart and soul cryin'
