

# Could You Be Loved

Joe Cocker

Say something, say something

Could you be loved and be loved  
Could you be loved and be loved

Don't let them fool you  
Or even try to school you...oh no  
We've got a mind of our own  
So go to hell if what you're thinking is not right  
Love would never leave us alone  
In the darkness there must come out to light

Could you be loved and be loved  
Could you be loved and be loved

The road of life is rocky  
And you may stumble too  
So while you point your fingers  
Someone else is judging you  
Love your brother man

Could you be.... could you be...could you be loved  
Could you be.... could you be loved

Don't let them change you  
Or even rearrange you ..oh no  
We've got a live to live  
They say only only only  
The fittest of the fittest shall survive  
Stay alive

Could you be loved and be loved  
Could you be loved and be loved

Ain't gonna miss your water  
Until your well runs dry  
No matter how you treat him the man will never be satisfied

Could you be.... could you be...could you be loved  
Could you be.... could you be loved

Could you be.... could you be...could you be loved  
Could you be.... could you be loved

Say something, say something

Could you be.... could you be...could you be loved  
Could you be.... could you be loved

Could you be.... could you be...could you be loved  
Could you be.... could you be loved
