

# First We Take Manhattan

Joe Cocker

They sentenced me to twenty years of boredom  
For trying to change the system from within  
I'm coming now I'm coming to reward them  
First we take manhattan  
Then we take berlin

I'm guided by a signal in the heavens  
I'm guided by the birthmark on my skin  
I'm guided by the beauty of our weapons  
First we take manhattan  
Then we take berlin

I'd really like to live beside you baby  
I love your body and your spirit and your clothes

But you see that line that's moving  
Through the station

I told you  
I told you  
I told you I was one of those  
I don't like your fashion business mister  
I don't like those drugs that keep you thin  
I don't like what happened to my sister  
First we take manhattan  
Then we take berlin
