

# Inner City Blues

Joe Cocker

Rockets, moon shots  
Spend it on the have nots  
Money, we make it  
Before we see it, you take it

Makes me wanna holler  
The way they do my life  
Makes me wanna holler  
The way they do my life  
Listen baby, listen, this ain't livin'  
I say no, oh no

Inflation no chance  
To increase finance  
Bills pile up sky high  
Send that boy off to die

It makes me wanna holler  
The way they do my life  
Makes me wanna holler  
The way they do my life  
Won't you listen? Yeah  
This ain't livin', oh no

Hang ups, let downs  
Bad breaks, set backs  
Natural fact is  
That I can't pay my taxes

It makes me wanna holler  
The way they do my life  
It make me wanna holler  
The way they do my life  
Listen, please, listen  
Is this livin'? I wanna know now

It make me wanna holler  
The way they do my life  
Make me wanna holler  
The way they do my life  
Won't you listen, listen?

Crime is increasing  
Trigger happy policing  
Panic keep spreading  
God knows where we're heading

Make me wanna holler  
The way they do my life  
Make me wanna holler  
The way they do my life  
Just listen ...  
Is this livin'? I wanna know

Is this livin'? No, no
