

# Isolation

Joe Cocker

People say we got it made don't they know we're so afraid  
We're afraid to be alone, everybody got to have a home  
Isolation

Just a boy and a little girl  
Trying to change the whole wide world  
Isolation

All the world is a little town  
Everybody trying to put us down  
Isolation

I don't expect you to understand  
After you caused so much pain  
But the again you're not to blame  
Your just a human, a victim of the insane

We're afraid of everyone, afraid of the sun  
Isolation

The Sun will never disappear  
But the world my not have many years  
Isolation
